PRACTICE AREA

New patients are normally accepted if they live in the following villages: Anstey, Cropston, Newtown Linford, Swithland, Rothley (Swithland & Westfield Lane only) & Thurstaston.

NEW PATIENTS

Our Doctors work as a team so patients may see any Doctor of their choice although patients are registered with a Named Accountable GP. It is preferable for patients to continue a course of treatment with the same Doctor. New patients should collect a Registration pack from Reception. Alternatively you can download the forms from our website—return the completed forms to reception.

All registered patients will be assigned a Named Accountable GP who is responsible for the patients overall care. Patients aged 75 years and over will be assigned a Named Accountable GP and notified separately. If you would like to know the name of your accountable GP, please ask at reception.

TEMPORARY RESIDENTS

We can treat friends or relatives who are staying with you—please tell the Receptionist when making the appointment.

APPOINTMENTS

Appointments can be made by telephone, calling at the surgery during opening hours or via the Internet (you will need to register for this, please ask at Reception for more details). Extended Access appointments are available, please ask Reception for more details.
